*“This is the best event I participate in with ANY association!”*

Speed Networking is based on the concept of “speed dating”. It sparks business relationships and provides opportunity to meet new contacts face to face. For **\$250**, each participating Associate will get the chance for two company reps to meet exclusively with 12 premiere SIBA Builders. Each meeting will last 10 minutes and then you move to the next Builder.

### Benefits of Speed Networking:

1. One-on-one face time with builders
2. Quality time to showcase your products and services
3. Chance to answer the builder’s questions
4. Opportunity to ask for their business
5. Encourages builders to do business with members

Sign up now! Space is limited and seats will be available on a first-come, first served basis. If you are interested in this great opportunity or have questions regarding speed networking, please call Jamie Elliott at the SIBA office at 812-479-6026
